

# State Route 303 Closure

IN THE CITY OF STREETSBORO

This spring, the Ohio Department of Transportation will be starting a \$2.4 million project to raise the roadway profile of SR 303 from just west of Walters Rd. to just east of Jefferson St. The project also includes three culvert replacements over Tinkers Creek.

This project will involve the closure of SR 303 between SR 91 and SR 14 for 180 days while the roadway profile is raised. The portion of SR 303 between the Wheeling Lake Erie Railroad and Jefferson St. will be closed for 30 days in July. The entire project is scheduled to be completed by late **October 2018**.

## April 16, 2018

The SR 303 bypass will be **closed** through early May for widening and resurfacing.

SR 303 between SR 91 and SR 14 will be **closed** through mid-October for the raising of the roadway profile. The detour will be **SR 91 to I-480 to SR 14**. Local traffic will be able to utilize the SR 303 bypass beginning in early May. Access to all businesses and residences will be maintained during the closure.

## July, 2018

SR 303 between the Wheeling & Lake Erie railroad and Jefferson St. will be **closed** for 30 days for three culvert replacements. The detour will be **SR 91 to I-480 to SR 14**.

CLOSURE
