**Summary of Ordinance No. 2000-179** (A complete copy of this Ordinance is available in the Eng. Dept.)

The intent is to keep the streets free of mud and debris, which create hazards to the public. The developer or owner of a commercial/industrial development site shall post a cash bond or irrevocable letter of credit on the City's approved form in the amount of \$2,500.00. The owner or developer of a residential dwelling unit shall post a cash bond or irrevocable letter of credit on the City's approved form in the amount of \$500.00 per unit, subject to a maximum of \$2,500.00 for all units. If street cleanings are required, they will be deducted from the deposited funds. Upon written demand, and within no more than 10 days, the owner or developer shall replenish the original amount of the bond. Failure to post the bond, or to deposit funds as required, may result in revocation of the authority to build previously granted by the City. Deposits are refundable at the end of the project.
