

CODE OF CONDUCT

Parents, players and coaches need to remember that the Streetsboro Parks and Recreation Youth Leagues are non-competitive recreational leagues. Our mission is to teach the participants game playing skills, teamwork, sportsmanship and lastly, to have fun.

Our coaches and referees take time out of their busy schedule to benefit our children and we should respect them and show them our appreciation.

Comments and cheers during games must remain positive. If members of the audience stray from this practice they will be given a warning. Beyond the first warning, they may be asked to leave the game. Depending on the severity of the individual's conduct they may be asked to leave immediately and not permitted to return to the program in the future.
